

Products:

What are the ingredients of the pasta?

Enriched durum wheat, water, all natural vegetable powders and egg whites are the main ingredients for most of the pasta. Our Collegiate Pasta does contain food coloring though to achieve the school colors!

What is the shelf life?

24 months for the Pasta with Personality, Pasta Nests, Italian Inspired Pasta lines and 18 months for Pasta Soups, Chilis, and Salads. Note that the all natural pasta colors may fade over time. 6 months for Divine Meringues.

Do you have any other colleges available?

Currently we have only the colleges as seen in the brochure and on this website.

How much do we pay for each product?

You will sell the products for \$5.50, \$6.50, \$7.50, \$11.00, \$21.50, and \$30.00 as seen in the brochure. You will earn 40% or 50% profit based on your order size.

What is a Divine Meringue Cookie?

It is a delicious low fat, 7 calorie indulgence that will satisfy your sweet tooth. It is a crunchy, yet creamy cookie. The Divine Meringues are available in Vanilla Bean and Chocolate Cocoa Crunch.

Are there any allergens in your pasta or meringues?

Please refer to the nutritional info. Both the Pastas and Meringues contain wheat and/or egg whites.

Do your products contain nuts?

No, our pasta and meringue cookies are nut free and manufactured on nut free equipment lines.
